Dear Parent/Guardian,

In April and May, students participated in STAAR testing. Beginning **June 8** for STAAR End-of-Course exams and **June 27** for all 3rd-8th grade STAAR tests, parents/guardians may view their student's test results online by following these steps:

- Locate your student's STAAR Access Code in Skyward Family Access (available under "Online Forms" in the left menu).
- Go to the Texas Assessment Data Portal at <https://txparentportal.emetric.net/>
- Enter the STAAR Access Code along with your student's date of birth.
- Click the "Go" button to view your student's testing history.
- Click the "Download Report Card" icon or click on the blue link for each exam (ex: April 2018 STAAR Grade 5) to view more details.

Please note that Skyward Family Access will be unavailable on June 28-29 and on July 26-29 for yearly maintenance. If a STAAR Access Code is not listed in Skyward Family Access, please click the "Lookup Access Code" link at the Texas Assessment Data Portal and follow the steps to obtain the STAAR Access Code using your student's first name, SSN, and date of birth.

We are so proud of our students and the progress they made this year! As always, please do not hesitate to contact us if you have questions about your student's STAAR results.

Sincerely,

L. Clay Huggins
